Up Front and Important

Since I know not everyone reads past the club meeting minutes (sister) I will put this before the minutes.

At the February meeting there was not mention of the next meeting. I talked with Gordon to confirm that **the next meeting will be on 14 April at 6:00 PM at the Winston Community Center.**

Also, for those working the March car show, remember to set your clocks ahead one-hour Saturday night or you will be late for your scheduled work time.

Following the club meeting minutes, will be the list of those club members working the March car show.

At the back of the newsletter I have included a partial list of shows/events throughout the area for 2019. I need to give credit for the list to Marsha Watson of the Cruisin Rebels Car

Club for compiling this list. I will update at the year progresses.

Car Club Meeting Minutes

Sunday February 10, 2019, 2:00 PM

Don Larson called the meeting to order. We stood and recited the Pledge of Allegiance.

Motion was made to waive the reading of the minutes

Treasurer's report:

Given by Ron

We received thank you letters from Meals on Wheels and UCAN

New Members and Guests:

None

Good of the Order:

Tracy Bradley has been promoted to Captain.

Bruce states that Chuck Pettengill's shop items have been sold including the Roadrunner. If you bought the 383 that was original to the car please get a hold of Bruce as the buyer of the Roadrunner would like the motor if possible.

Past Events:

Pete's had a cruise in at "the lot" and is willing to continue this on Friday nights if people are interested.

Old Business:

Dallas reported that t-shirts will be printed this week. Let Sue know if you need a purple shirt.

We still need entries for the March show, goodie bag stuffers, and raffle prizes. Need a couple more people to work from 4-5 pm. Jerry reported that Madeline won't be able to work the show this year due to recently having cancer surgery.

New Business:

John Dyer spoke about a car cruise on April 27 to Wolf Creek Job Corp from Roseburg High School. Take a lunch with you and get in touch with John if you are interested in attending.

Sam reported the new date for the Friendship meet will be on June 30. Also, that the Medford show has been changed to April 20-21.

Don reported about taking cars to Brookdale for their residents to view. The third Wednesday in February is our clubs turn. Let Don know if you are interested in taking your vehicle.

Don is making a list of local events. If you know of one to add email Don with date and contact numbers.

John Dyer and Gini Larson are taking their cars to the Medford show. Monna made motion and Jerry seconded it to give each of them \$100 for fuel.

Upcoming Events:

None discussed.

50/50

\$27 – Sunshine

\$8 – Bill (donated back to club)

\$8 – Monna

\$8 – Craig

Meeting adjourned 2:30 pm

Respectfully Submitted,

Gail Kuntz, secretary

Editor's Corner:

Don't blame me for this, thanks Dallas.

Southern Humor

A guy from ALABAMA passed away and left his entire estate to his beloved widow, but she can't touch it 'till she's 14.

How do you know when you're staying in a MISSISSIPPI hotel? When you call the front desk and say, "I gotta leak in my sink," and the clerk replies, "Go ahead."

How can you tell if a GEORGIA redneck is married? There's dried tobacco juice on both sides of his pickup truck.

Did you hear that they have raised the minimum drinking age in ALABAMA to 32? It seems they want to keep alcohol out of the high school.

What do they call reruns of "Hee-Haw in GEORGIA? Documentaries!

Where was the toothbrush invented? MISSISSIPPI. If it had been invented anywhere else, it would have been called a teeth brush.

An ALABAMA State trooper pulls over a pickup on I-65 and says to the driver, "Got any I.D.?" and the driver replies "Bout wut?"

Did you hear about the \$3 million GEORGIA State Lottery? The winner gets \$3.00 a year for a million years.

The governor's mansion in ALABAMA burned down! Yep. Pert' near took out the whole trailer park. The library was a total loss too. Both books-poof! up in flames and he hadn't even finished coloring one of them.

A new law was recently passed in MISSISSIPPI. When a couple gets divorced, they are STILL cousins.

A guy walks into a bar in GEORGIA and orders a mudslide. The bartender looks at the man and says, "You ain't from 'round here are yaboy?" "No" replies the man, "I'm from California." The bartender looks at him and says, "Well, what do ya do in California?" "I'm a taxidermist," said the man. The bartender, looking very bewildered now, asks, "What in the world is a tax-e-derm-ist?" The man says, "I mount animals." The bartender hollers to the whole bar... "It's okay boys, he's one of us!"
