Medford Car Show

Don Larson asked if anyone was planning on going to the upcoming Medford Car Show; no one said they were planning to attend.

A discussion regarding the possibility of the Medford Car Show moving to Roseburg was opened by Don Larson.

Gordon Boyd said that it would not be combined with our March Benefit Show.

Dallas read a note by Ron Massey. Ron opposed the idea of a 3rd car show being “sandwiched” in between the Benefit Show and Graffiti.

Gail Kuntz said Rich Wilson mentioned his show as a courtesy to the Stray Angels about moving to Roseburg. She said that Rich Wilson “was not planning on using any of the Roseburg sponsors of the Benefit or Graffiti shows.” A general discussion opened and consensus was that Rich did not need our approval and that he could put a car show on if he chose to.

It was mentioned that Rich doesn’t want to put his car show in Grants Pass.

Don Larson distributed a list of local events and a Cruzin’ Magazine 2020 Calendar of Events.

The Ides of March was a day in the Roman calendar that corresponds to 15 March. It was marked by several religious observances and was notable for the Romans as a deadline for settling debts. In 44 BC, it became notorious as the date of the assassination of Julius Caesar which made the Ides of March a turning point in Roman history.

In Like a Lion, out Like a Lamb:

Because March straddles winter and spring in the northern hemisphere, it tends to have very harsh, unpleasant weather in the beginning but typically has milder, more palatable weather by the end. The phrase is often rearranged, separated, or otherwise slightly reworded.

Here are a few more songs from the 60's. Can you guess the name of the song based on three hints? Find the answers at the end.
