Letter from the Director

As you know, the COVID-19 pandemic has affected so much in the world and unfortunately it has taken its toll on many car shows around the country as well. After careful discussion by the Stray Angels' Officers a decision to cancel the 2020 Show n Shine was made. It was not an easy decision but was based largely upon the government phases of reopening, county park regulations, and sponsor unavailability due to closures. While it is disappointing to not be able to proceed with the show this year, we look forward to continuing the long tradition of putting on one of the most anticipated outdoor car shows in Oregon in July 2021.

At this time the Graffiti Weekend Committee has not made a decision whether the weekend of events will proceed. More information will be shared as it is made available. If the decision is to continue with the weekend of events, there may be alternative ways the Stray Angels can still participate in the weekend with things such as a possible modified R&R tour, additional suggestions are welcomed and encouraged from club members.

The May 2020 meeting has been canceled as there are still government mandated restrictions, **I look forward to seeing everyone at the June 13th meeting.**

Best Regards,
Amy Holmgren

Douglas County Parks and RV Parks Will Reopen May 1st

Despite the reopening, we continue encourage residents to stay home and follow the Governor's Executive Order #20-12, 'Stay Home, Save Lives.' However, we do understand the role our outdoor recreational sites provide in keeping our residents mentally and physically healthy.
